To all:

Thank you all (CD 13, Central Reset, GND/Buy and Rampart SPU and Rampart GED) for your collaboration, compassion and desire to make a difference in many lives yesterday. It was impressive and inspiring to see the lengths at which you all went to improve the lives of our homeless population.

Over the past couple weeks you have all conducted significant amount of outreach to Rampart's homeless population daily. What we are also seeing is an increase in violence around our encampments. Including two recent rapes, which have both resulted in arrests.

Jeanne, Marisol and Juan (CD 13) thank you for your continued partnership and incredible support of Rampart/LAPD. We can always count on you to be there, literally in the streets with us.

Lieutenant Mathes, Rampart and I are personally grateful for your expertise, generosity and leadership. You made significant impacts on our officers and the community today. We cannot express our gratitude enough. You continue to pave the way for the rest of us.

Scott McNeil (GND) thanks for the great work! Your willingness to focus on locations that drive our violent crime it is much appreciated. We do see a difference. The buy team is an important piece in fighting Rampart's violent crime.

Ed (Rampart GED) having you coordinate with us today was a great force multiplier. Your cops did an outstanding job.

JOEL, please thank your folks for their continued efforts and motivation to make a difference. Yes you continue to make significant arrest, but your continued out reach is now landing some in shelters.

Hundreds of members of the public witnessed true partnerships. This builds trust and reduces crime! That's all we ask.

On behalf of OCB, and Rampart thank you all!

Jeff

Our future plans are to increase the clean up operations and continue with the GND ops,

Incredible work by all involved! The selfless teamwork, City partnership collaboration and thoughtful compassionate planning is truly a Citywide best practice model.

Thank you for including GND in the plan they are a tremendous resource. Those involved in narcotic use and sales are our violent crime offenders.

I look forward to seeing the impact on crime reduction your efforts made today.

I have ccd Assistant Chief Jorge Villegas.

Great work is personified by great leadership! Thank you for a tremendous operation.
